I move the City Council: Approve and authorize the Mayor to sign an Interlocal Agreement with Missoula County for the Missoula Public Library Living Roof Project.

Timeline:

Committee discussion:	March 25, 2026
Council action (or sets hearing):	March 30, 2026
Public Hearing (if required):	N/A
Deadline:	N/A

Background and Alternatives Explored:
The City Missoula Stormwater Utility was awarded a $1 million grant from the Western Montana Conservation Commission Showcase Green Stormwater Infrastructure Grant Program for the Missoula Public Library Living Roof Project. The project will retrofit the existing rock ballast roof with a living roof system. The roof is visible through floor to ceiling glass windows throughout the library. In addition, a portion of the roof will be converted into an outdoor patio space, incorporating pavers and living roof modules. This interlocal agreement formalizes the relationship between the City and County for this project.

Financial Implications:
The $1 million grant requires a 25% match, with our community partners providing the required match:
$75,000 Missoula Redevelopment Agency
$75,000 Missoula County
$70,000 Library Foundation
$30,000 DNRC Planning Grant (previously awarded)
